**Dear Sir,**

**RE: Planning Application - Barnhurst, New Barn Road**

This letter has been prepared to accompany a householder planning application for a single storey rear extension and front and rear dormers to form rooms in roof space.

The extension has been designed to be sympathetic to the original house and in keeping with properties within the immediate surrounding area. For your ease we have included below examples of similar extensions in the immediate area that have been approved.

Please feel free to telephone or email me if you wish to discuss the application further.

**Yours faithfully**

**Faye Luther**
