Address: Not Available

Comment Details

Commenter Type: Local Resident

Stance: Customer objects to the Planning Application

Comment Reasons:

- Objection

Comment: We have concerns regarding potential noise/anti social behaviour that could come with an increase of customers.

The fact the extension will be at the back of the restaurant (although we were under the impression it's actually going to be a bar) any noise would have an impact on the residents living above.

At the moment Augustus Lane is a fairly quiet place to live and we have concerns that this could change dramatically if this extension goes ahead. Thank you.
