GENERAL NOTES
This scheme is subject to Town Planning and all other necessary consents. Dimensions, areas and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. All feasibility studies are subject to full site survey. This drawing is to be read in conjunction with all relevant consultants' and/or specialists' drawings/ documents and any discrepancies or variations are to be notified to the architects in writing before the affected work commences. All queries relating to design of structural elements are to be referred to the structural engineering consultant for resolution. The workmanship and materials of all trades and building operations shall comply with the recommendations of British Standard (BS) 8000 parts 1-16 inclusive and with Approved Document to support Regulation 7 1999 edition (incorporating 2010 amendments) of the Building Regulations 2010. All design and construction is to be in accordance with the Construction (Design and Management) Regulations 2015.

Brand

Living And Home - Steel Bicycle Garden Shed Lockable Trash Can Shed 176x105x130cm Black

Description

Instead of keeping your bikes locked in garage or house, it makes a better choice to keep them in a bicycle shed. If you own many bikes, keeping them all in a shed can save your indoor space greatly while protecting them from the weather.

Can also be used as a recycling shed - Take your trash cans out and have them organized in our heavy-duty steel storage shed, so there won't be any unbearable odor or pests. The shed allows you to easily flip open the lid or open the doors to move the trash cans / bike in or out. Constructed from premium steel, the sheds are built to last.

Features

- * Bike Bin Storage Shed / Trash Can Recycle Bin
- * Keeps bikes / trash organized
- * Weather-resistant galvanized steel construction
- * Sloping top prevents snow and water build up
- * Lockable doors for added security
