Re: VT Garden, Warneford Hospital, Oxford

Dear Sir/ Madam,

Please find included in this application drawings and additional information relating to the proposals.

We trust you will concur the nature of the proposed works do not require a sunlight assessment,

We appreciate that Listed Building Applications often require more information to be decided at the planning stages than a standard planning application might, and we are happy for any additional detailing or design elements required by yourselves to be dealt with by conditions.

Please let us know at the earliest opportunity if any additional information is required.

Yours sincerely,

Brink Architects
