Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The purpose of this proposal is to prevent a recurrence of a flooding incident by the installation of a new larger capacity rainwater outlet with new internal waste-water pipe to direct water off the flat roof and connect it to the existing rainwater disposal pipework at basement level. New pipework will be concealed behind finishes with provision for future maintenance access formed in modern dry-lining that is not of heritage significance.

Repairs to the water damaged modern plaster ceilings and decorative plaster details surrounding the barrel-vaulted roof light are proposed to be undertaken on a like for like basis.
