Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

To Install 16 solar panels on the land behind 4 & 5 Brook Cottages, Romsey, Road, Brook, Kings Somborne SO20 6QR
The land itself is owned by the current owner of 5 Brook Cottages and is currently being used for agricultural purposes. The scheme would aim to keep the land agricultural in purpose itself only the addition of the 16 solar panels would be the proposed change.
The number and size of the solar panels have been calculated by a solar panel company and will be connected to 5 Brook Cottage. The solar panel's purpose will be to provide 5 Brook Cottage with electricity for everyday use
The land outlined in red above is slightly more than 1 acre the proposed solar panels will take up around 35m2.
