Email extract from DC Minor

'It's hard to say, having had a quick look around the area there are some fences that are taller with trellis attached so it could be considered acceptable.

Presumably you don't have to pay as it's an internal application so you might as well submit it anyway and it can be negotiated on if necessary at the time.'

Kind regards

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
