Good Afternoon Sunil,

Thank you for clarifying. Please note that as this is a full application if it was to go to appeal it would not qualify for the fast track process.

In order for me to proceed with validation please can you provide the following:

A block plan at a scale of 1:200 or 1:500, accurately showing the direction of north and the fencing in relation to the site boundaries and existing buildings on the site.

Kind Regards
Lucy

CAUTION: This is an EXTERNAL EMAIL. STOP. THINK before you CLICK links or OPEN attachments.

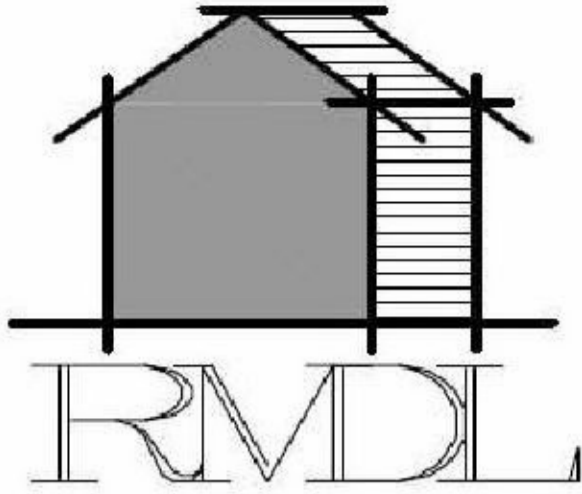

Good evening ,

I have submitted the application as a full application as it is in relation to retrospective work, which I am not sure was able to be dealt with as a householder application for this reason.

Please let me know if this might be an issue but otherwise the fences are all on the demise of the property ownership.

Kind Regards

Sunil Mehan

Good Afternoon,

Thank you for submitting the above application. In reviewing the information provided, this application appears to be a householder application, however it has been submitted as a full application. Please could you advise if there is a reason that the application was submitted in this way, for example if the location of the fencing is not on land fully owned by the applicant?

Kind Regards

Lucy
