Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. ### Description

Please describe details of the proposed development or works including any change of use

The proposed development involves the erection of a 'stretch tent' style marquee on the East side of the site more than 30m from the boundary with Old Wokingham Rd. The marquee will be situated over a refurbished outdoor climbing structure and used to provide shelter from the elements, allowing climbing to take place in wet weather and prolonging the life of the climbing structure. By providing shelter we will be improving access to leisure facilities for Bracknell Forest residents, making the outdoor climbing area a viable option for exercise all year round.

The marquee has been erected on a temporary basis (less than 28 days) to facilitate the works to the outdoor climbing structure. This application is for the long term retention of the marquee structure.
