Good Morning,

Thank you for the plans.

Please could you confirm if the site levels are to remain as existing.

As the property lies within an area at risk to flooding, please complete the simplified Matrix and return it. The Matrix can be found at https://www.west-norfolk.gov.uk/info/20173/information_for_planning_agents/231/flood_risk_information.

Kind Regards,

Lynn-Marie Elliott

Hi

The size required is not legally necessary but have done it to keep the peace. (hope accurate enough)

Your council is the only one I know who wants a roof plan and I often forget that Have attached but suggest you save and send – not forward. It has to come from you as I did not make the application

Hi Fran,

We've had the attached back from the Borough Council from our planning application. Are you able to help us with this please?

Many thanks
