## THE AUTOLOK TELESCOPIC ANTI RAM RAID POST

A very tough and robust telescopic bollard, at a very good price! Can be used on driveways, parking bays to protect spaces, forecourts and any perimeter protection.

Very cost-effective bollard that offers strong impact resistance. 500mm (half a metre) above ground when up. Choose to have your padlock keyed alike or keyed to differ. Each post comes with 2 PP10 High Security Keys. Upgrade to
