To Whom it may concern,

Further to receiving the attached letters I would like to the confirm. The windows will be refurbished by being sanded down and filled with wood filler if required and painted white to match exiting windows on the building.

In addition please find attached a set of revised drawings as we are now also proposing to replace the rear window of the flat to match the other windows on the building. Joinery details & a proposed elevation have been attached for your reference.

If you require any further information please do not hesitate to contact me.

Kind regards
