Is any land covered by, or within the curtilage of, the building:

Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Prior Notification under Class R of Town & Country Planning (General Permitted Development)(England) Order 2015 (As amended) for change of use of offices (Use Class E(g)) to single dwellinghouse (Use Class C3)

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

See accompanying survey and proposal drawings demonstrating adequate natural light to be provided to all habitable rooms of the dwellinghouse proposed.

What will be the net increase in dwellinghouses?

1

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

The change of use will result in a net reduction in traffic generation. Ample on site provision for private parking is demonstrated as available within the site. Access will remain unchanged.

Please provide details of any contamination risks and how these will be mitigated

No contamination risks

Please provide details of any flooding risks and how these will be mitigated.

No flood risks

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

Adjoining premises are all residential properties. Access is via a car park for the veterinary practice to the south which is only utilised during normal weekday office opening times.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

No external changes are proposed to the exterior of the building or the site layout. Accordingly, there will be no potential adverse impact on the character or sustainability of the conservation area.

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such uses.

Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated

Not applicable.
If the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated
Not applicable
List of flats and other premises in the existing building
Please provide a list of all addresses of any flats and any other premises within the existing building
