

Free Range Explorers

Parking

Free Range Explorer's is situated on the end of Cooks Mead, which can be a busy road especially during school times as the primary school is located a short distance away. To ease congestion and promote road safety please follow guidelines below:

- Please use spaces in front of house driveway if available first. Please park length ways allowing space for others to park next to you, ideally reversing in making it safe for you to pull out on the road when you leave.
- Avoid coming at peak times 8.45am-9.15am and 3.15-3.45pm Mondays-Fridays.
- Park along the road of Cooks Mead when no spaces in front of driveway are available.
- Please avoid parking on the double yellow lines. Drop off/collect here as a last resort and stay no longer than a few minutes.
- If there's time for a walk, Uplyme Village Hall have a car park that can be used safely. Please put a donation in their box.
- Staff will park at the Village Hall to maximise spaces immediately outside.

Thank you for your co-operation.
