The team of staff are trained to use positive re-inforcement to encourage well-being in the children and young people, nurturing them as if it was a typical family household environment. Similar approved applications: 22/03601/LP - 78 Melrose Avenue, Norbury, London, SW16 4QY - Lawful Development Certificate Granted 22/04768/LP - 6B Woodcote Drive Purley CR8 3PD - Lawful Development Certificate Granted Case Law R (On The Application Of Crawley Borough Council) V Fss And Eve Helberg (Trading As The Evesleigh Group) The judge in this case remarked that he would be reluctant to read the comments of the judge in the North Devon case as laying down a principle that those who suffer from disability or are in need of care can never constitute a household. He concluded that the correct position is that a judgement needs to be made based upon the facts of each individual case having regard to the nature of the disability suffered, the degree of care required and whether or not the house is operating like a single-family dwelling. North Devon District Council [2003] case Justice Collins: Children "need to be looked after. They cannot run a house. They cannot be expected to deal with all the matters that go to running a home ... children are regarded as needing fulltime care from an adult, someone to look after them, someone to run their lives for them and someone to make sure that the household operates as it should." As 1 of the 4 members of staff will be live-in staff who sleeps overnight, this arrangement is conducive to a typical family household environment.
