FOA Mrs Wendy Hoggarth,

Hello Wendy,

Thank you for your letter regarding the invalidation of the application.

Please find attached the drawing of the enclosure of a typical balcony as existing and as proposed.

The address of the two blocks are indeed, as you say, 160, Queens Promenade and 164 Queens Promenade. The error has occurred as the applicant also owns the listed building at 162 and usually refers to the whole site as 162. We have tried to change this on the planning portal but the app is locked. Could you change this on your system to reflect this? Thank you.

Regards

Peter
