Hello Tom,

Please find attached updated drawings as requested.

I wasn't aware that there was an amount outstanding. Please could you confirm the total amount due and what you have on record as being paid and when and I will check our records.

Thanks
Mike

Dear Mr Prior

Thank you for your email.

Having review the attached drawings can you please append 1:10 scale bars to:-

161/04 REV A (Window 2,3,4,5)

161/05 REV A (Window 1 Existing)

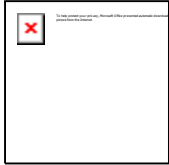

161/06 REV A (Windows 6, 7)

and resubmit.....

In addition, I cant seem to find any receipts (at this end) relating to the outstanding additional payment of £201.00 for this application.

If paid, please forward copy of receipt issued to help track this down, or alternatively please make payment ASAP.

Regards

Tom Nemeth

Hello Tom,

Please find attached the details from the window supplier for the proposed windows.

I have also re-attached the drawings for your reference.

Please can you confirm that the client will not be charged the additional 25% for the price increase for this application?

Thanks

Mike

Hi Tom,

RE: CC/23/01620/LBC

Please find attached updated drawing: 161/01 (Existing and Proposed East (Front) and West
(Rear) Elevations

I have removed the new window which as you pointed out is part of the other application and not this one.

I'm still waiting on the details from the window supplier for the proposed windows but I will send it as soon as I have it.

Thanks

Mike

Hi Tom,

Hope you are well.

Reference the project above, please could you confirm what you require when you say a window schedule metrically scaled to 1:10 or 1:20?

Many thanks

Mike Prior
