

MEDMERRY HOLIDAY PARK ENVIRONMENTAL STATEMENT – CONTENT REGISTER

Volume 1

Document Number	Title
Chapter 1	Introduction
Chapter 2	Evolution of the Proposed Development
Chapter 3	Proposed Development
Chapter 4	Consultation
Chapter 5	Environmental Assessment Process
Chapter 6	Biodiversity
Chapter 7	Land and Soil
Chapter 8	Water
Chapter 9	Cultural Heritage
Chapter 10	Landscape
Chapter 11	Climate
Chapter 12	Air
Chapter 13	Material Assets and Waste
Chapter 14	Population and Human Health
Chapter 15	Noise and Vibration
Chapter 16	Transport and Access

Chapter 17	Other Environmental Considerations
Chapter 18	Cumulative Effects
Chapter 19	Environmental Management

Volume 2

Document Number	Title
Chapter 1	Figure 1.1 Site Location and Application Boundary
Chapter 2	Figure 2.1 Planning Constraints
Chapter 2	Figure 2.2 Pre-application Masterplan
Chapter 2	Figure 2.3 Masterplan layout Rev 02
Chapter 2	Figure 2.4 Masterplan layout Rev 05
Chapter 2	Figure 2.5 Masterplan layout Rev 10
Chapter 3	Figure 3.1 Site Masterplan
Chapter 3	Figure 3.2 Landscape Masterplan
Chapter 3	Figure 3.3 Construction Phase 1
Chapter 3	Figure 3.4 Construction Phase 2
Chapter 3	Figure 3.5 Construction Phase 3
Chapter 3	Figure 3.6 Construction Phase 4
Chapter 3	Figure 3.7 Construction Phase 5
Chapter 6	Figure 6.1 Designated Sites
Chapter 6	Figure 6.2 UKHab Habitats
Chapter 6	Figure 6.3 Priority Habitats

Chapter 6	Figure 6.4 GCN Survey Results
Chapter 6	Figure 6.5a Water Vole Survey Results
Chapter 6	Figure 6.5b Water Vole Latrine Density
Chapter 6	Figure 6.6 Enhancements Map
Chapter 10	Figure 10.1 Site Location Plan
Chapter 10	Figure 10.2 Site Context
Chapter 10	Figure 10.3 Viewpoint Location Plan
Chapter 11	Figure 11.1 Average annual sea-level anomaly across the United Kingdom from 1993 to 2015 (data source: World Bank CCKP).
Chapter 11	Figure 11.2 Projected sea-level rise across the UK, based upon an RCP 8.5 scenario (10 th and 90 th percentile shown in grey) (data source: World Bank CCKP).
Chapter 14	Figure 14.1 Location of Medmerry Park in relation to MSOA Chichester 013 and Chichester Local Authority.
Chapter 14	Figure 14.2 Lichfields' Evaluate framework.
Chapter 14	Figure 14.3 Strength of sector by GVA in Chichester (source: Experian December 2022 data release).
Chapter 14	Figure 14.4 Breakdown of residents by occupation in Chichester, South East and England (source: Lichfields analysis of ONS Annual Population Survey (October 2021 to September 2022)).
Chapter 14	Figure 14.5 Deprivation Map (source: IMD 2019)
Chapter 14	Figure 14.6 Average occupancy rates on holiday parks/campsites (source: UK Caravan & Camping Alliance, Pitching the Value 2019 Economic Benefit Report: Holiday Parks and Campsites in the UK (February 2019) (Figure 3.5)).
Chapter 14	Figure 14.7 Occupancy levels: Medmerry and England (source: Cove Communities and UK Caravan & Camping Alliance, Pitching the Value: 2019 Economic Benefit Report: Holiday Parks and Campsites England (February 2019)).

Chapter 14	Figure 14.8 Proximity of workforce to Medmerry Holiday Park (source: Cove Communities / Lichfields analysis)
Chapter 15	Figure 15.1 Noise sensitive receptors
Chapter 15	Figure 15.2 Daytime Noise Contours
Chapter 15	Figure 15.3 Night-time Noise contours
Chapter 15	Figure 15.4 Short term difference
Chapter 15	Figure 15.5 Long term difference
Chapter 16	Figure 16.1 Access routing
Chapter 16	Figure 16.2 Existing signage in Earnley
Chapter 16	Figure 16.3 Public rights of way
Chapter 16	Figure 16.4 Walking and cycling routes
Chapter 16	Figure 16.5 Bus route 52
Chapter 16	Figure 16.6 Existing hourly vehicle trip generation
Chapter 16	Figure 16.7 Recorded collision locations (2017-2021)
Chapter 18	Figure 18.1 Cumulative projects within 1 km of the Proposed Development.

Volume 3

Document Number	Title
Technical Appendix 2.1	Pre-Application Advice September 2022
Technical Appendix 2.2	Statement of Community Involvement September 2023
Technical Appendix 6.1	Medmerry Park Camp Site Ecology Survey Report
Technical Appendix 6.2	Medmerry Holiday Park Updated Ecological Survey Report

Technical Appendix 6.3	Medmerry Park Improvement Project: Winter coastal bird survey 2018/19
Technical Appendix 6.4	Medmerry Park Brent Goose Surveys: Winter costal bird surveys 2020/21
Technical Appendix 6.5	Medmerry Park Brent Goose Surveys: Winter coastal bird surveys 2021/22
Technical Appendix 6.6	Habitat Regulations Assessment
Technical Appendix 6.7	Biodiversity Net Gain (BNG) Assessment Report
Technical Appendix 7.1	Phase 1 Desk Study/Preliminary Risk Assessment (PRA)
Technical Appendix 7.2	Enzygo Environmental Consultants Groundwater Level Assessment report
Technical Appendix 7.3	Preliminary Cut and Fill Analysis Plan (Simpson-TWS drg. SK100)
Technical Appendix 8.1	Flood Risk Assessment (FRA), Surface Water Management Strategy (SMWS) and Foul Water Management Strategy (FWMS)
Technical Appendix 8.2	Tidal Flood Modelling Technical Note
Technical Appendix 8.3	Pluvial Flood Modelling Technical Note
Technical Appendix 8.4	Flood Evacuation Plan (FEP)
Technical Appendix 9.1	Desk Based Assessment
Technical Appendix 10.1	Landscape Viewpoint sheets 1-12
Technical Appendix 10.2	Published Landscape Character Assessments Extracts
Technical Appendix 10.3	Landscape Visualisations
Technical Appendix 10.4	Detailed Landscape Masterplans
Technical Appendix 12.1	Medmerry Air Quality Technical Report
Technical Appendix 13.1	Outline Waste Management Plan
Technical Appendix 15.1	Noise Impact Assessment
Technical Appendix 15.2	Time History Graphs

Technical Appendix 16.1	Transport Assessment (TA)
Technical Appendix 16.2	Construction Traffic Management Plan (CTMP)
Technical Appendix 16.3	Travel Plan (TP)
Technical Appendix 17.1	Arboriculture Impact Assessment
Technical Appendix 18.1	Cumulative projects within 1 km of the Proposed Development - short list
