Attachments: form_1 CIL info.pdf; AONB Statement.pdf

This Message originated outside your organization.

Dear Fay,

Further to your letter dated 17th November I attach the following:

- AONB Statement
- CIL Form 1

I can confirm the application description should include the condenser units to the flank elevations.

Further in terms of the Tree Protection Plan I can confirm this can be scaled from for planning purposes.

I would be grateful if you could confirm receipt and validation in due course.

Kind regards,
Natalie
