Proposed Right Side Elevational View

**General Notes:**

All work to be undertaken in accordance with planning approval and building regulations approval. Any work undertaken beforehand requires immediate attention and approval by the respective bodies.

All materials to be used in accordance with the manufacturer's instructions and the appropriate standards in according with Building Regulations Approved Document A.

Workmanship shall comply with the appropriate codes and standards and work that does not comply shall be rectified or removed and completed again at the expense of the contractor.

**Car port A Notes:**

Existing Carport has 6 bays and total area of the car port is 16m x 4m with a 0.5m overhang roof on the front side.

Proposal indicates the removal of 2 bays to reduce the total length of the carport by 4m.

Total Proposed Area = 36m<sup>2</sup>
