These lights (we bought three) were bought for a forthcoming extension & have not been installed yet. However, the lights look great about them. Very pleased with them and looking forward to seeing them working.

Just as I expected for the price compared to another brand, same shape but with 2 bulbs.... However, 4 times the price

Reply from Lighting Direct: Thank you so much for your feedback.

Looks great on our new summer house, not really used much yet, easy to install and good ip rating for outside
