

Dear Sirs,

Re: Ormskirk Market Limited Ormskirk Indoor Market Moorgate Ormskirk.

We would like to voice our objection to the above planning application.

It appears that the owners have flouted basic planning rules and regulations and have gone ahead with their development without the required legal permissions.

We have raised our concerns previously about possible noise nuisance from this development as historically the premises have caused us considerable problems.

We are all for enterprise and the improvement of Ormskirk but the concerns of local residents and lack of adherence to basic planning law must be addressed.

Kind regards

DCJ and CA Mutch
