Re: 5 Acres, Holywell Lane, Upchurch, Kent ME9 7HN

My name is Robert Friend and my family and I live adjacent to 5Acres in the property known as Greenacres for 20+ years and know the site very well.

I can confirm, to the best of my knowledge, that the agricultural barn, as edged in red on the attached plan, has been used regularly over the time that we have lived here in relation to the management of the orchard, and this continues to this day.

We have assisted Mr Kenney and his family, on occasion, with the collection of the apple crop and can confirm that the barn was used for the storage of the harvest. The barn was used for keeping the trailer and other associated tools for tending the orchard.

Yours faithfully

Robert Friend
