Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Single storey rear extension (following demolition of existing conservatory)

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Extension Specifications:

Maximum Height: 3.5m

Eaves Height: 2.8m

Projection: 2.45

The proposed development does not exceed 4m in height.

The development is not within 2m of the boundary where the eaves height would exceed 3m.

The extension does not extend beyond the principal elevation or front highway and does not affect the side elevation of the dwellinghouse.

The development does not extend beyond a wall forming a side elevation of the original dwellinghouse and does not exceed 4m in height, have more than one storey, or have a width greater than half the width of the original house.

The proposal does not include the installation, alteration, or replacement of a microwave antenna, chimney, flue, soil and vent pipe, nor does it involve alterations to any part of the roof of the dwelling house.

The materials used for the extension will be similar to those of the existing dwelling.

The proposal is in line with Class A: Enlargement, improvement, or other alteration of a dwelling house under the Town and Country Planning (General Permitted Development) Order (as amended). This Order allows for a single storey extension that adheres to specific criteria including not extending beyond the side elevation of the original dwelling house, covering no more than 50% of the land around the "original house", and respecting certain height and depth limitations.

The proposed design falls within the provisions of Schedule 2, Part 1, Class A of the Town and Country Planning (General Permitted Development) Order 2015 (as amended). Consequently, it aligns with the permissible development criteria and is considered lawful under current planning regulations.

This design statement confirms that the proposed single storey rear extension at 2 Hopefield, Montague Avenue, London, Ealing, W7 3QW, fully complies with the relevant legal frameworks and planning guidelines, ensuring a development that is respectful of its context and environment.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

Information about the proposed use(s)

Select the use class that relates to the proposed use.
