Description of Proposed Works

The proposal is to add an additional two rooms to the rear of the property which will allow us to accommodate my elderly, disabled mum, whereby enhancing her quality of life and minimising the risk of her needing to enter the care system. Details of the pre-application advice received

Had submitted for PD but this application does not meet the height criteria so am now applying for Householder Planning permission. Helen Gale has already completed a site visit as a result of my PD request and I have today had a lengthy telephone conversation with her to discuss options going forward. It would be helpful if this application could be assigned to Helen to enable continuity of knowledge.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
