

Proposed Ground Floor Plan

Proposed Roof Plan

Proposed West Elevation

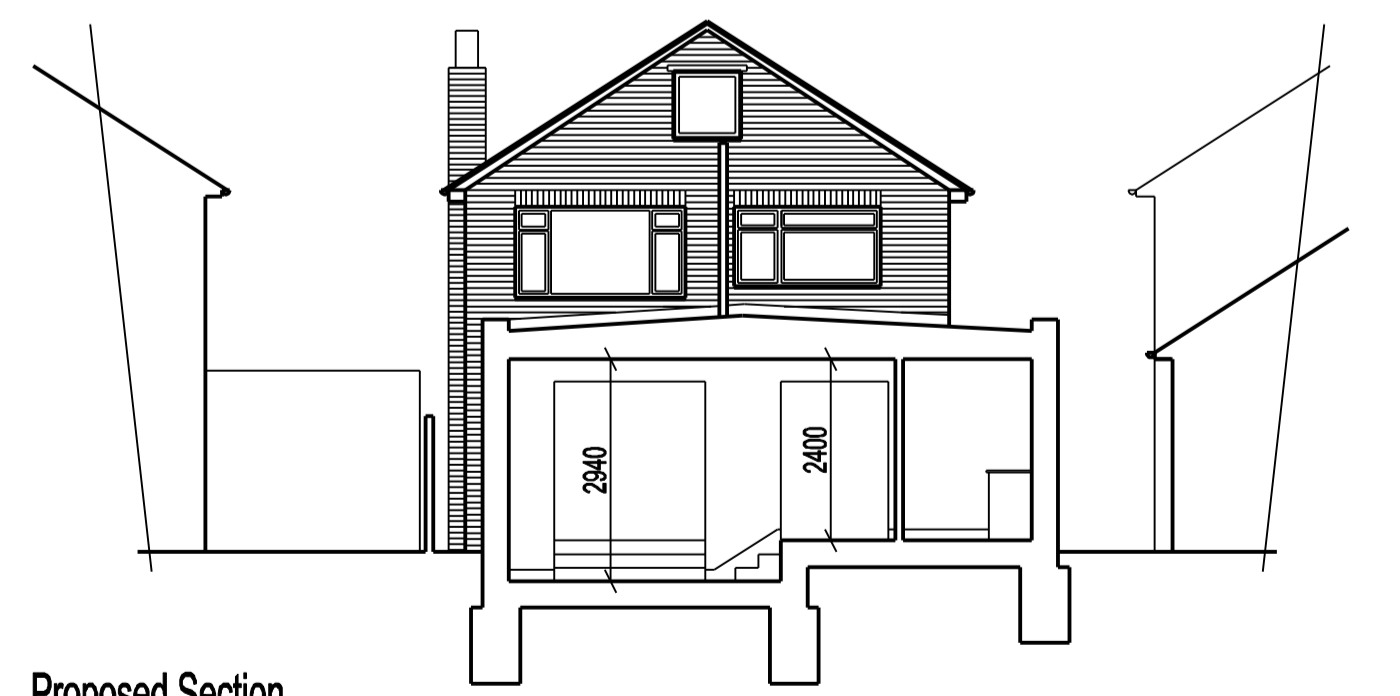

Proposed East Elevation

Proposed South Elevation

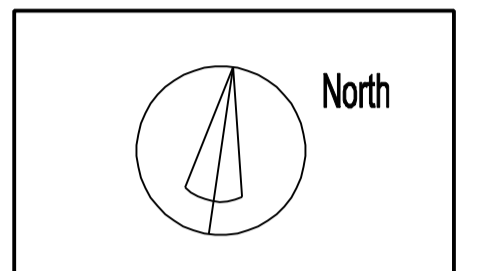

Proposed Rear Elevation

Proposed Section

Use written dimensions only.
 All work to be carried out in a workmanlike manner and comply with building regulations.
 All measurements and levels to be checked on site by the contractor before work commences.
 For sizes and bearings of beams please see Engineers Report

REVA: Change in rear patio design to reduce levels and additional note to replacement cladding at the front of the property.
 REV B: Redesign of the rear extension following design meeting, and removal of existing garage with retention of the foundation slab.
 REV C: Amendments made to rear extension design following clients comments.
