Dear Sir

Reference : Planning Application 20888/008

Planning applied for by Anglian Home Improvements

Further to my conversation with you this morning regarding the need for a Arboricultural Method Statement for the above application. As agreed, you said this applies on a tree within 15m of the site. There is a yard below our house which has trees with TPO's. This yard is more than 15m away and the nearest tree with a TPO is 45m away so as agreed on the phone this application does not need an Arboricultural Method Statement.

So I am sending this information to you as you requested.

Mr P.J. and Mrs J.I. Osgood
