

Aerial View

Location of proposed extension

Key Plan - Existing Site Plan
NTS

1 View from field towards existing gym and courtyard. Proposed location of new extension.

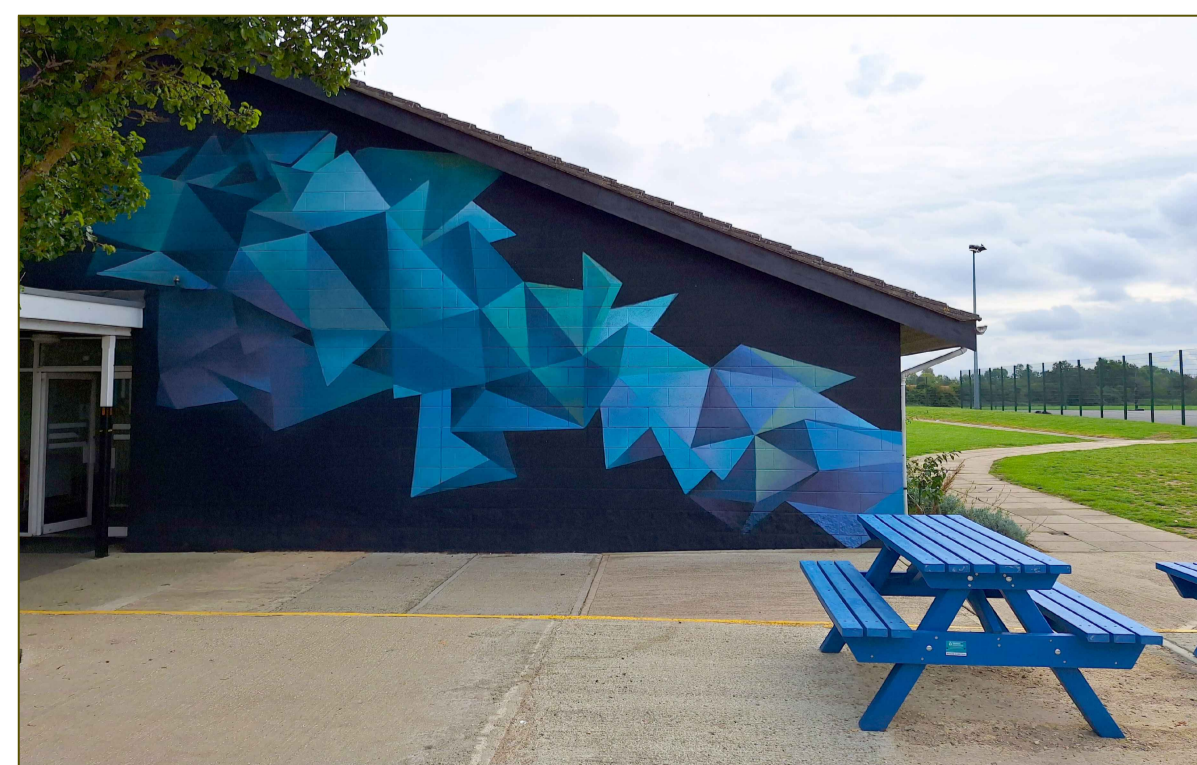

2 View of courtyard seating and setting for new extension. Dark painted blockwork reflects existing composite timber panelling on building opposite

3 View of hall with external canopy structure. Existing dark composite timber panelling above kitchen.

4 View across courtyard towards existing gym. Existing white uPVC cladding panels.

5 View of opposite block with dark painted blockwork and vibrant geometric artwork. Proposed treatment to gym facade to be inkeeping.

6 View across courtyard to lower brick block and stepped seating area.

7 View along gym facade with timber infill to the foreground and glint of existing dark composite cladding in the background.

8 View under colonnade towards courtyard. Vibrant artwork emphasised by dark background.
