FILE NAME:  
 NOTES:  
 This drawing is for your use only and is not to be used, reproduced, distributed or used for any purpose other than that for which it is issued without permission from the copyright holder.  
 The Contractor is to check all dimensions on site and report discrepancies to the Architect prior to commencing work.  
 All details shown on this drawing are based upon typical site conditions noted to the area. No responsibility can be accepted for abnormal conditions unless reported to the Architects, as that design amendments may be considered. All notes and materials used are to be in accordance with current British Standards, Agreement Conditions and Manufacturers printed instructions. All Building Regulation Requirements are to be applied and at the completed stage.

Vegetation drawn for illustration purposes only

NOTE: Finished Floor Level to new Garage / Motorhome is approximate & for tender purpose's only. Exact Finished Floor level to be determined & agreed with CLIENT prior to commencement on site

NOTE: All existing Manhole cover & invert levels to be checked on site by Main Contractor Prior to commencement of any proposed drainage works.

TENDER ISSUE 19.07.19
