Pod 1 (The Embank) 1 of 2
Plan view and Sleeping Unit

Pod 1 (both parts) are of a standard timber frame construction with corrugated tin rooves.

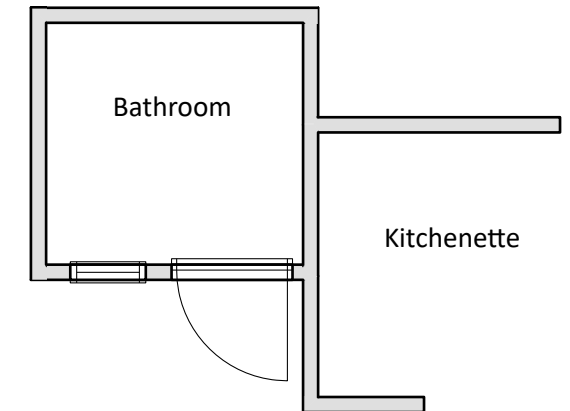

The pod is in two parts, a sleeping unit and kitchen and bathroom unit.

The sleeping unit has a roof that extends to the front to produce a partially covered porch. With natural light provided by glazed doors to the front and a small window to the rear.

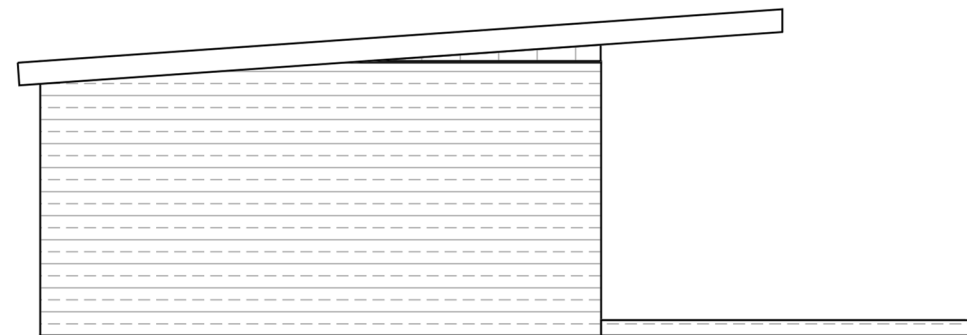

The kitchen bathroom unit contains an enclosed bathroom and open-air kitchenette, partially covered by the overhang of the bathroom roof.
