Scale: 1:50 (when preproduced as A3)  
Pod 2 (The Ashmore)

Pod 2 is a round wood log cabin,  
constructed using the Norwegian saddle  
notch technique.

The roof is of a corrugated tin construction.

There is a small internal bathroom.

The roof extends to the front to produce a  
covered porch.

Natural light is provided by glazed doors to  
the front and windows in the rear gable  
wall.
