accommodate larger sized dormers and increase the habitable space within the roof space – making changes to the rear and side elevation. The dormers have been amended in appearance to the original dormer proposal with a flat roof, this proposal shows the dormers to be designed with a double pitched roof.
Please state why you wish to make this amendment
The changes made to the proposal do not change the ground or first floor with subordinate changes to the roof structure and maintains the proposal ridge height. The amendments improve the design quality of the proposal and allow generous living space in the habitable loft space for the occupants.
Are you intending to substitute amended plans or drawings?
