## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposals consist of the introduction of a rear dormer roof extension, a new parapet to the existing rear extension roof, and the widening of the existing front door.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes

No

Has the proposal been started?

Yes

No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

No change of use from the existing C3 use is proposed. The proposal relates to the introduction of a rear dormer roof extension, a new parapet to the existing rear extension roof and the widening of the existing front door, which falls under the criteria outlined in the Town and Country Planning (General Permitted Development) (England) Order 2015.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

## Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

Permanent

Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposals meet the criteria as outlined in Class A and Class B of the Permitted Development for Householders Technical Guidance document. Please see relevant supporting points below:

- the site is not located on designated land;
- the total increased roof space does not exceed 40 cubic metres in volume;
- the extension does not extend beyond the plane of the existing roof slope and does not feature on the principal elevation that fronts a highway;
- the proposed materials are similar in appearance to the existing house;
- no part of the extension will be higher than the highest part of the existing roof;
- no verandas, balconies or raised platforms are proposed;
- all side-facing windows will be obscure glazed and non-opening unless the parts which can be opened are more than 1.7 metres above the floor of the room in which it is installed;
- the proposed dormer roof extension is set back at least 20cm from the original eaves, measured along the roof plane. The roof enlargement does not overhang the outer face of the wall of the original house;
- no evidence of bats or other habitats are present;
- the parapet proposed for the existing rear extension will not exceed 3m in height.
