

NOTES

Dimensions should not be scaled. All dimensions should be checked on site before any fabrication / construction.
 Copyright of all data produced by Archidata shall remain with Archi Data unless otherwise specifically agreed.
 Information provided should not be altered or modified in any way. It should not be used for any purpose other than for which it was intended and should not be issued to other parties without prior agreement of Archidata.
 Archidata cannot accept responsibility for any damage to computer systems which may result from viruses which may be contained in the data provided.

Preliminary data is generally unchecked therefore it is not guaranteed.

If the AutoCAD drawing is being read by any system other than AutoCAD it should be checked against a hard copy. Archi Data cannot accept liability for omissions.

Some CAD layers exists with additional information which are turned off.

This survey has been carried out to an accuracy consistent scale of 1:100; therefore interrogated dimensions will be within the tolerance associated with this scale. The same accuracies implied by the plottingscale are equally applicable to digital data supplied for CAD. The scale of this drawing should not be changed without permission.
