7th December 2023

Dear Sam,

Town and Country Planning Act 1990, Section 211 - Notification of Intention to carry out work to trees within a Conservation Area at 1 Southill Road Chislehurst BR7 5EE

Thank you for your application received on 7th December 2023 in which you notified this Council of your intention to carry out the following works:

- **T1 Lawson Cypress by front door - Lift canopy by the removal of 10 lowest branches.**
- **T2 Lawson Cypress by conservatory - Lift lower dying branches and selected branches.**
- **T3 Holly - Reduce group of hollies down by 3m and level across, remove low drooping branches.**

at the above address which is situated in the Chislehurst Conservation Area.

This Council now has six weeks to consider the intended works and determine whether it would be appropriate to make a Tree Preservation Order for the trees which are to be subject to the proposed works.

The six weeks will expire at the end of 18th January 2024. The purpose of the six weeks is to allow time for this Council to fully consider all aspects of the work proposed. It also allows the opportunity for any interested persons to make representations to this Council in connection with the proposed works. The Council will take any comments received into account when determining whether to make a Tree Preservation Order.

Please note that if I consider it necessary for a site notice to be displayed, this will be issued to you in due course.

Yours sincerely,

Paul Smith
Tree Officer
