Please state why you wish the condition(s) to be removed or changed
It is required to change Condition 2 of the planning consent (via Allowed Appeal) which refers to the development being carried out in accordance with the approved plans. The applicant wishes to improve the elevational treatment with the introduction of stone heads and sub-cills in lieu of the brick soldier courses previously indicated. An enclosed glazed porch would improve the living conditions upon entry into the house. An additional garden room addition is indicated to the rear for a dining area which improves the internal layout and appearance of the house. Minor amendments to windows and doors as described on the drawings and the garage gable walls (change of external materials). Detached timber outbuilding to rear.
If you wish the existing condition to be changed, please state how you wish the condition to be varied
