Why do you consider that a Lawful Development Certificate should be granted for this proposal?
Class E provides permitted development rights within the curtilage of a house for any building required for a purpose incidental to the enjoyment of the dwellinghouse.
The total area of ground around the house covered by the proposed Class E building would not exceed 50% of the total area of the curtilage, excluding the original house.
The proposed development is not in front of the principal elevation of the house.
The proposed Class E building would only have one storey.
The height of the building would exceed 3 metres.
None of the proposed building is within 2 metres of the boundary of the curtilage of the house.
The proposed building has a single-pitched roof, the maximum height of the eaves is 2.5 metres measured where the lowest point of the roof slope meets the outside wall of the building.
The building is not situated within the curtilage of a listed building.
