

CDM 2015 RESIDUAL RISKS

- It is assumed that a competent Principal Contractor with the relevant skills, knowledge and experience of construction of this type of work and location will be appointed, and will be aware of the typical hazards.
- Work required to and within the immediate vicinity of existing buildings. Contractor to be aware of associated structural risks and presence of services.

The above residual risks are for non-standard familiar. It is assumed that a competent contractor familiar with the construction of this type of work will be appointed who will be aware of the standard hazards.

KEY

- Proposed Private Surface Water Pipe \varnothing and gradient as stated
- Proposed Private Surface Water Rising Main
- Proposed Foul Water Perforated Pipe Private - \varnothing and gradient as stated
- Proposed Private Combined Water Pipe \varnothing and gradient as stated
- Existing Private Combined Water Pipe \varnothing and gradient as stated
- Existing Private Surface Water Pipe \varnothing and gradient as stated
- Existing Private Foul Water Pipe \varnothing and gradient as stated
- Existing drain to be abandoned and filled with PFA cement grout.
- Proposed Private Combined Water PPIC size as stated in MH schedule
- Proposed Private Foul Water PPIC size as stated in MH schedule
- Proposed Private Surface Water PPIC size as stated in MH schedule
- Proposed ACO Channel Drain
- Proposed Threshold Drain
- NRV Proposed Non Return Valve Refer to Details for Specification
- CP Proposed Catchpit
- RWP Proposed Rainwater Pipe
- Ex.DP Existing Drainage Point
- YG Proposed Yard Gully
- Proposed Geo-Cellular Attenuation Refer to details for specification
- Proposed Surface Water Pump Station Refer to details for specification and refer to manufacturer's details
- RE Rodding Eye
- Proposed Rootlok Headwall
- Further Significant Information Required
- Potential Significant Hazard

DO NOT SCALE THIS DRAWING. ALL SETTING OUT TO ARCHITECT'S DETAILS AND DRAWINGS

THIS DRAWING IS TO BE READ IN CONJUNCTION WITH ALL OTHER RELEVANT DRAWING ISSUES AND THE SPECIFICATION.
