he principle of adding a greenhouse structure to the flat roof of the existing side extension is considered acceptable. The greenhouse structure would have a lightweight and subtle design and as a result would not appear incongruous or have a prominent presence on the streetscene.
Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? Yes No
