## Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The works consist of the removal of a pedestrian walkway and the redirection of affected services.

It is also proposed to provide new pedestrian fencing panels at the top and bottom landings of the existing gantry to match existing. the existing fencing panels at the lower level form part of the listing.

The existing metal gantry and supporting elements present signs of severe corrosion and deterioration that are diminishing their structural performance, and if no action is taken, then the risk of injuries to pedestrians and damage of vehicles and adjacent structural will be high.

Has the development or work already been started without consent?

- Yes  
 No

## Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- Don't know  
 Grade I

No

c) Demolition of a part of the listed building

Yes

No

Please provide a brief description of the building or part of the building you are proposing to demolish

The works consist of the removal of a pedestrian walkway and the redirection of affected services affixed to the gable end of the East Barrack Block located within the confines of RM Stonehouse.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The existing metal walkway gantry has been catalogued as "not fit for purpose" and is to be removed.

The existing metal gantry and supporting elements present signs of severe corrosion and deterioration that are diminishing their structural performance, and if no action is taken, then the risk of injuries to pedestrians and damage of vehicles and adjacent structural will be high.

It currently represents a health and safety risk and is not currently in use.
