Good afternoon Steve,

Thank you for the plans , however as previously discussed this means the application would include a ground floor flat, resulting the description of proposed works being inaccurate. Given this a new application would be required to be submitted.

If you would like to have a telephone call regarding this I am available today before 4:30 and on Friday.

Kind regards

Jacqui Colbourne | Senior Development Management Officer

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
