

FRONT ELEVATION

new front door to the existing recessed porch
 existing garage door removed and new window installed to match existing
 existing shared side access path with neighbouring property retained

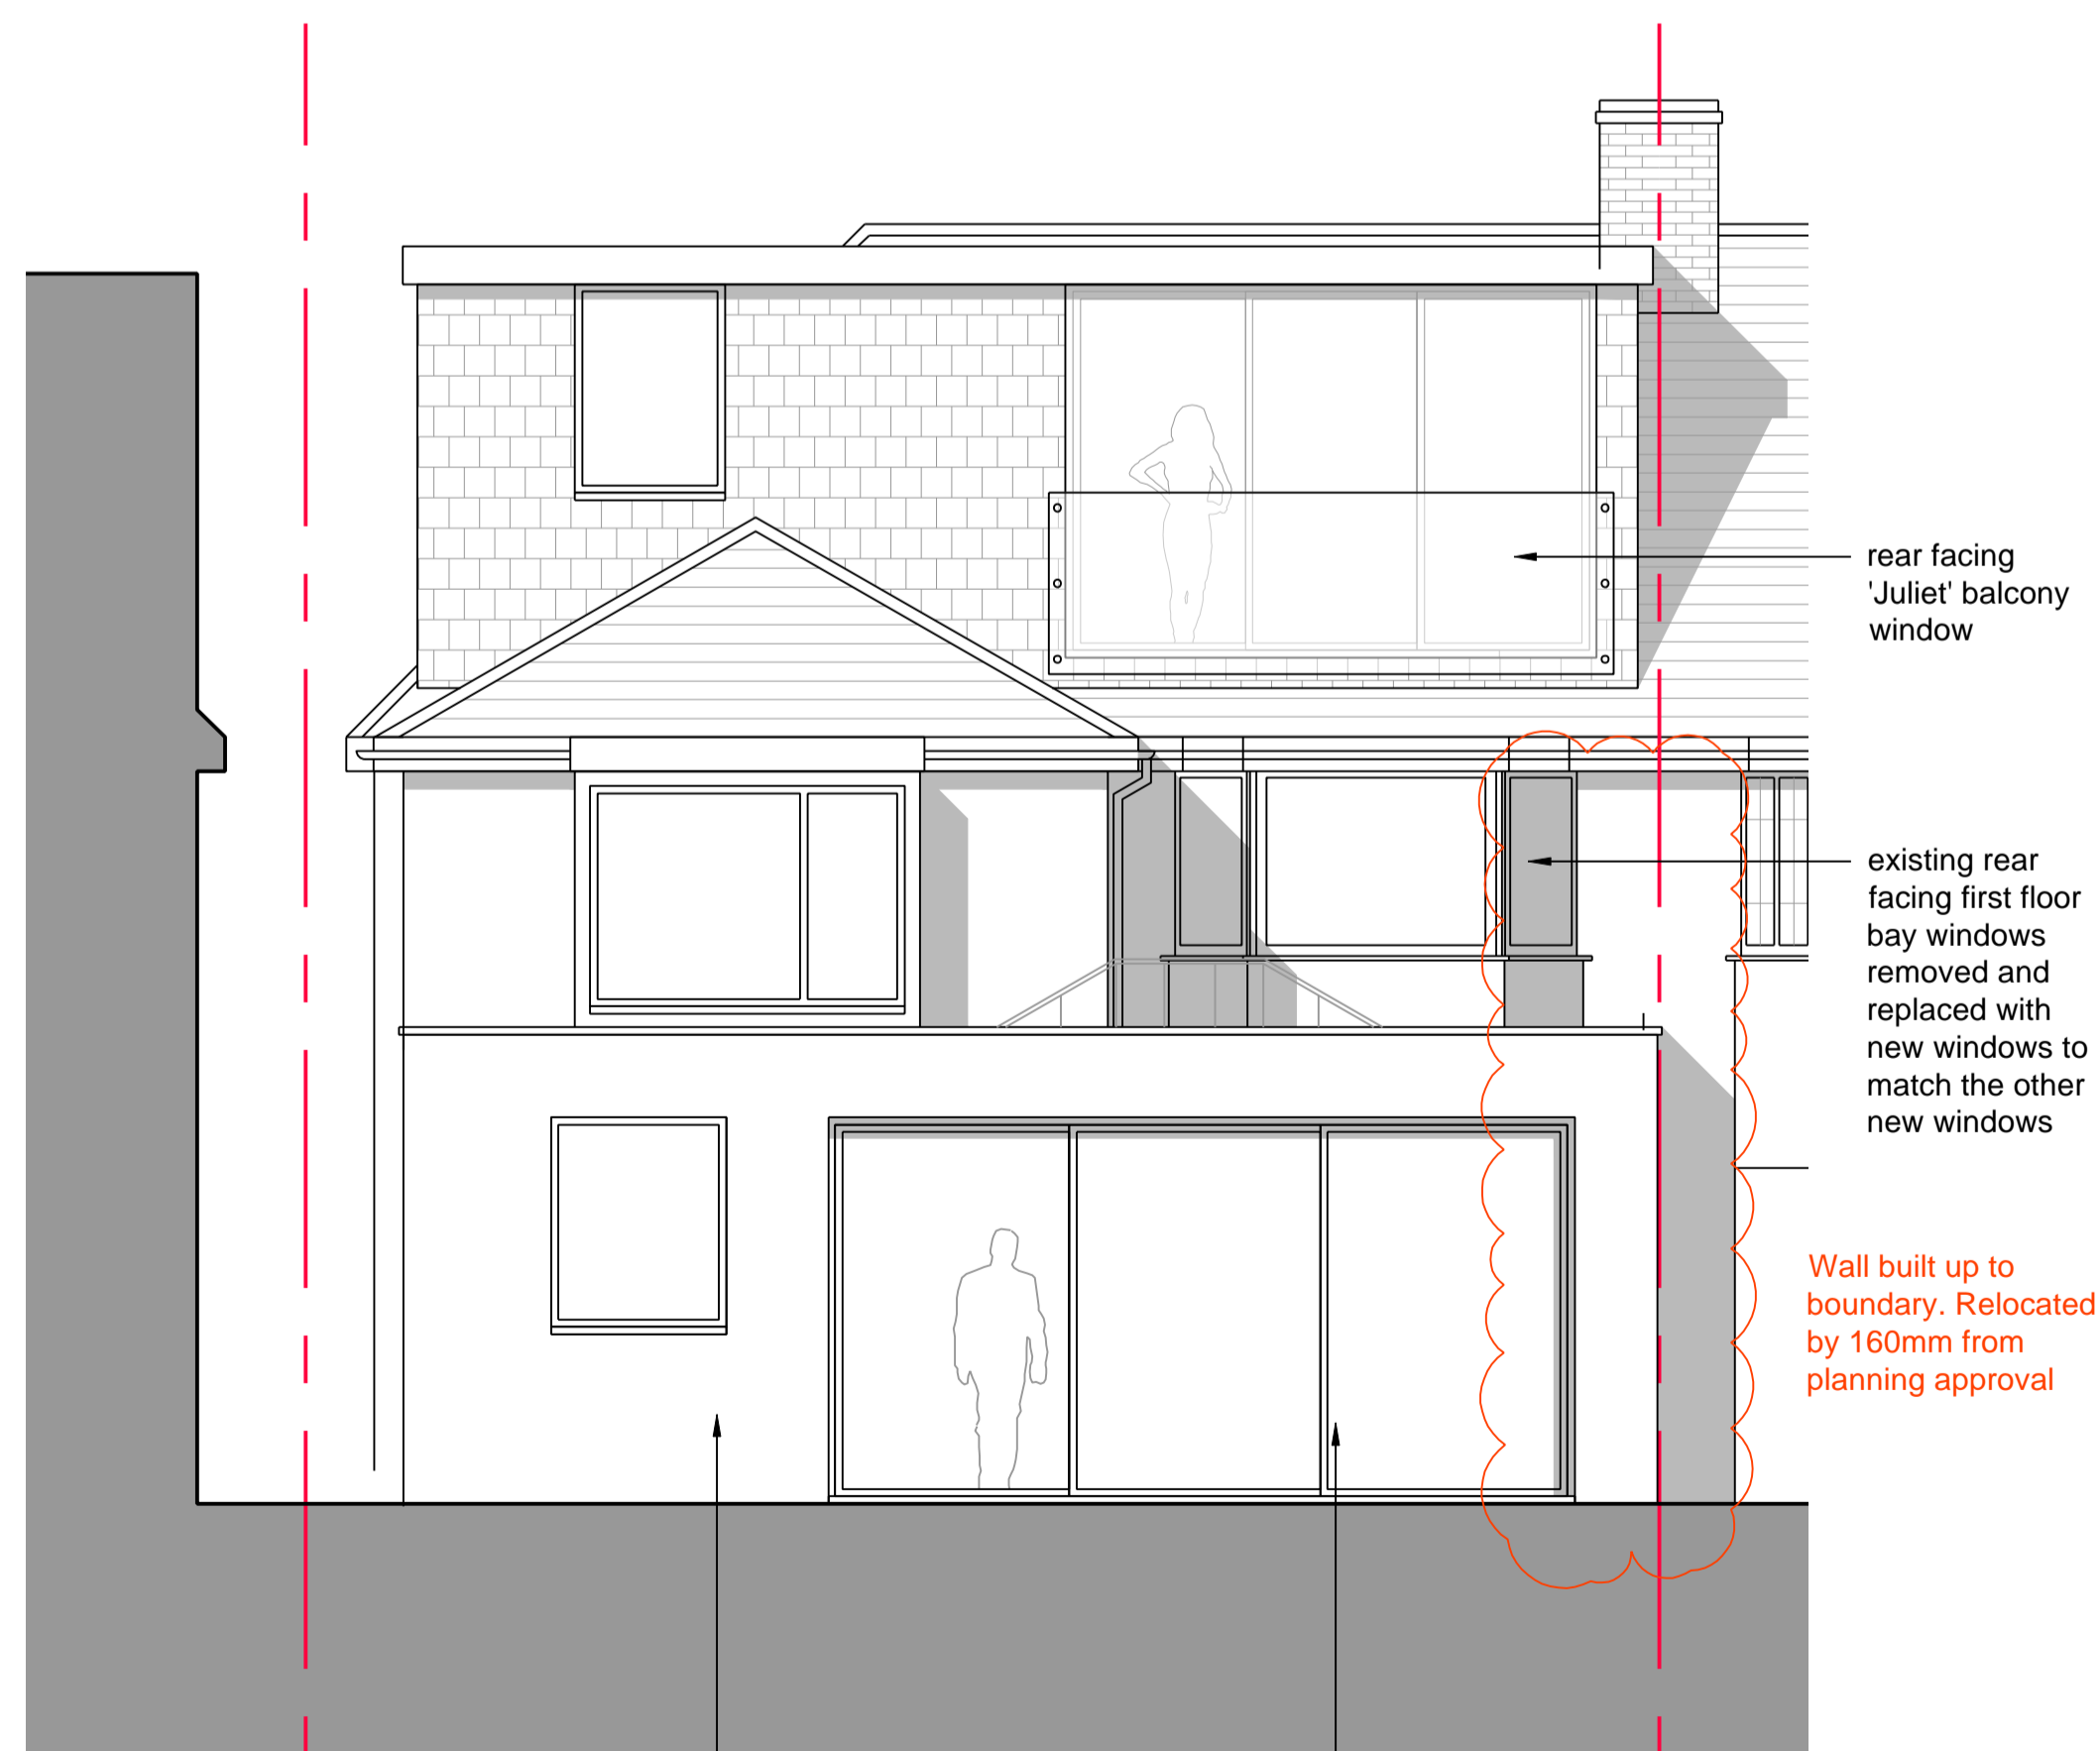

NOTE: new front facing 'expressed' box window to match the existing, and to be installed as non-accessible internally to allow for room construction behind.

SIDE ELEVATION
 (as seen from 26 Revell Road)

side access door
 rendered external wall finish to match existing
 dashed lines indicate the proposed boundary fence not shown for clarity

dormer roof construction external finish to be hanging tiles to match the existing roof.

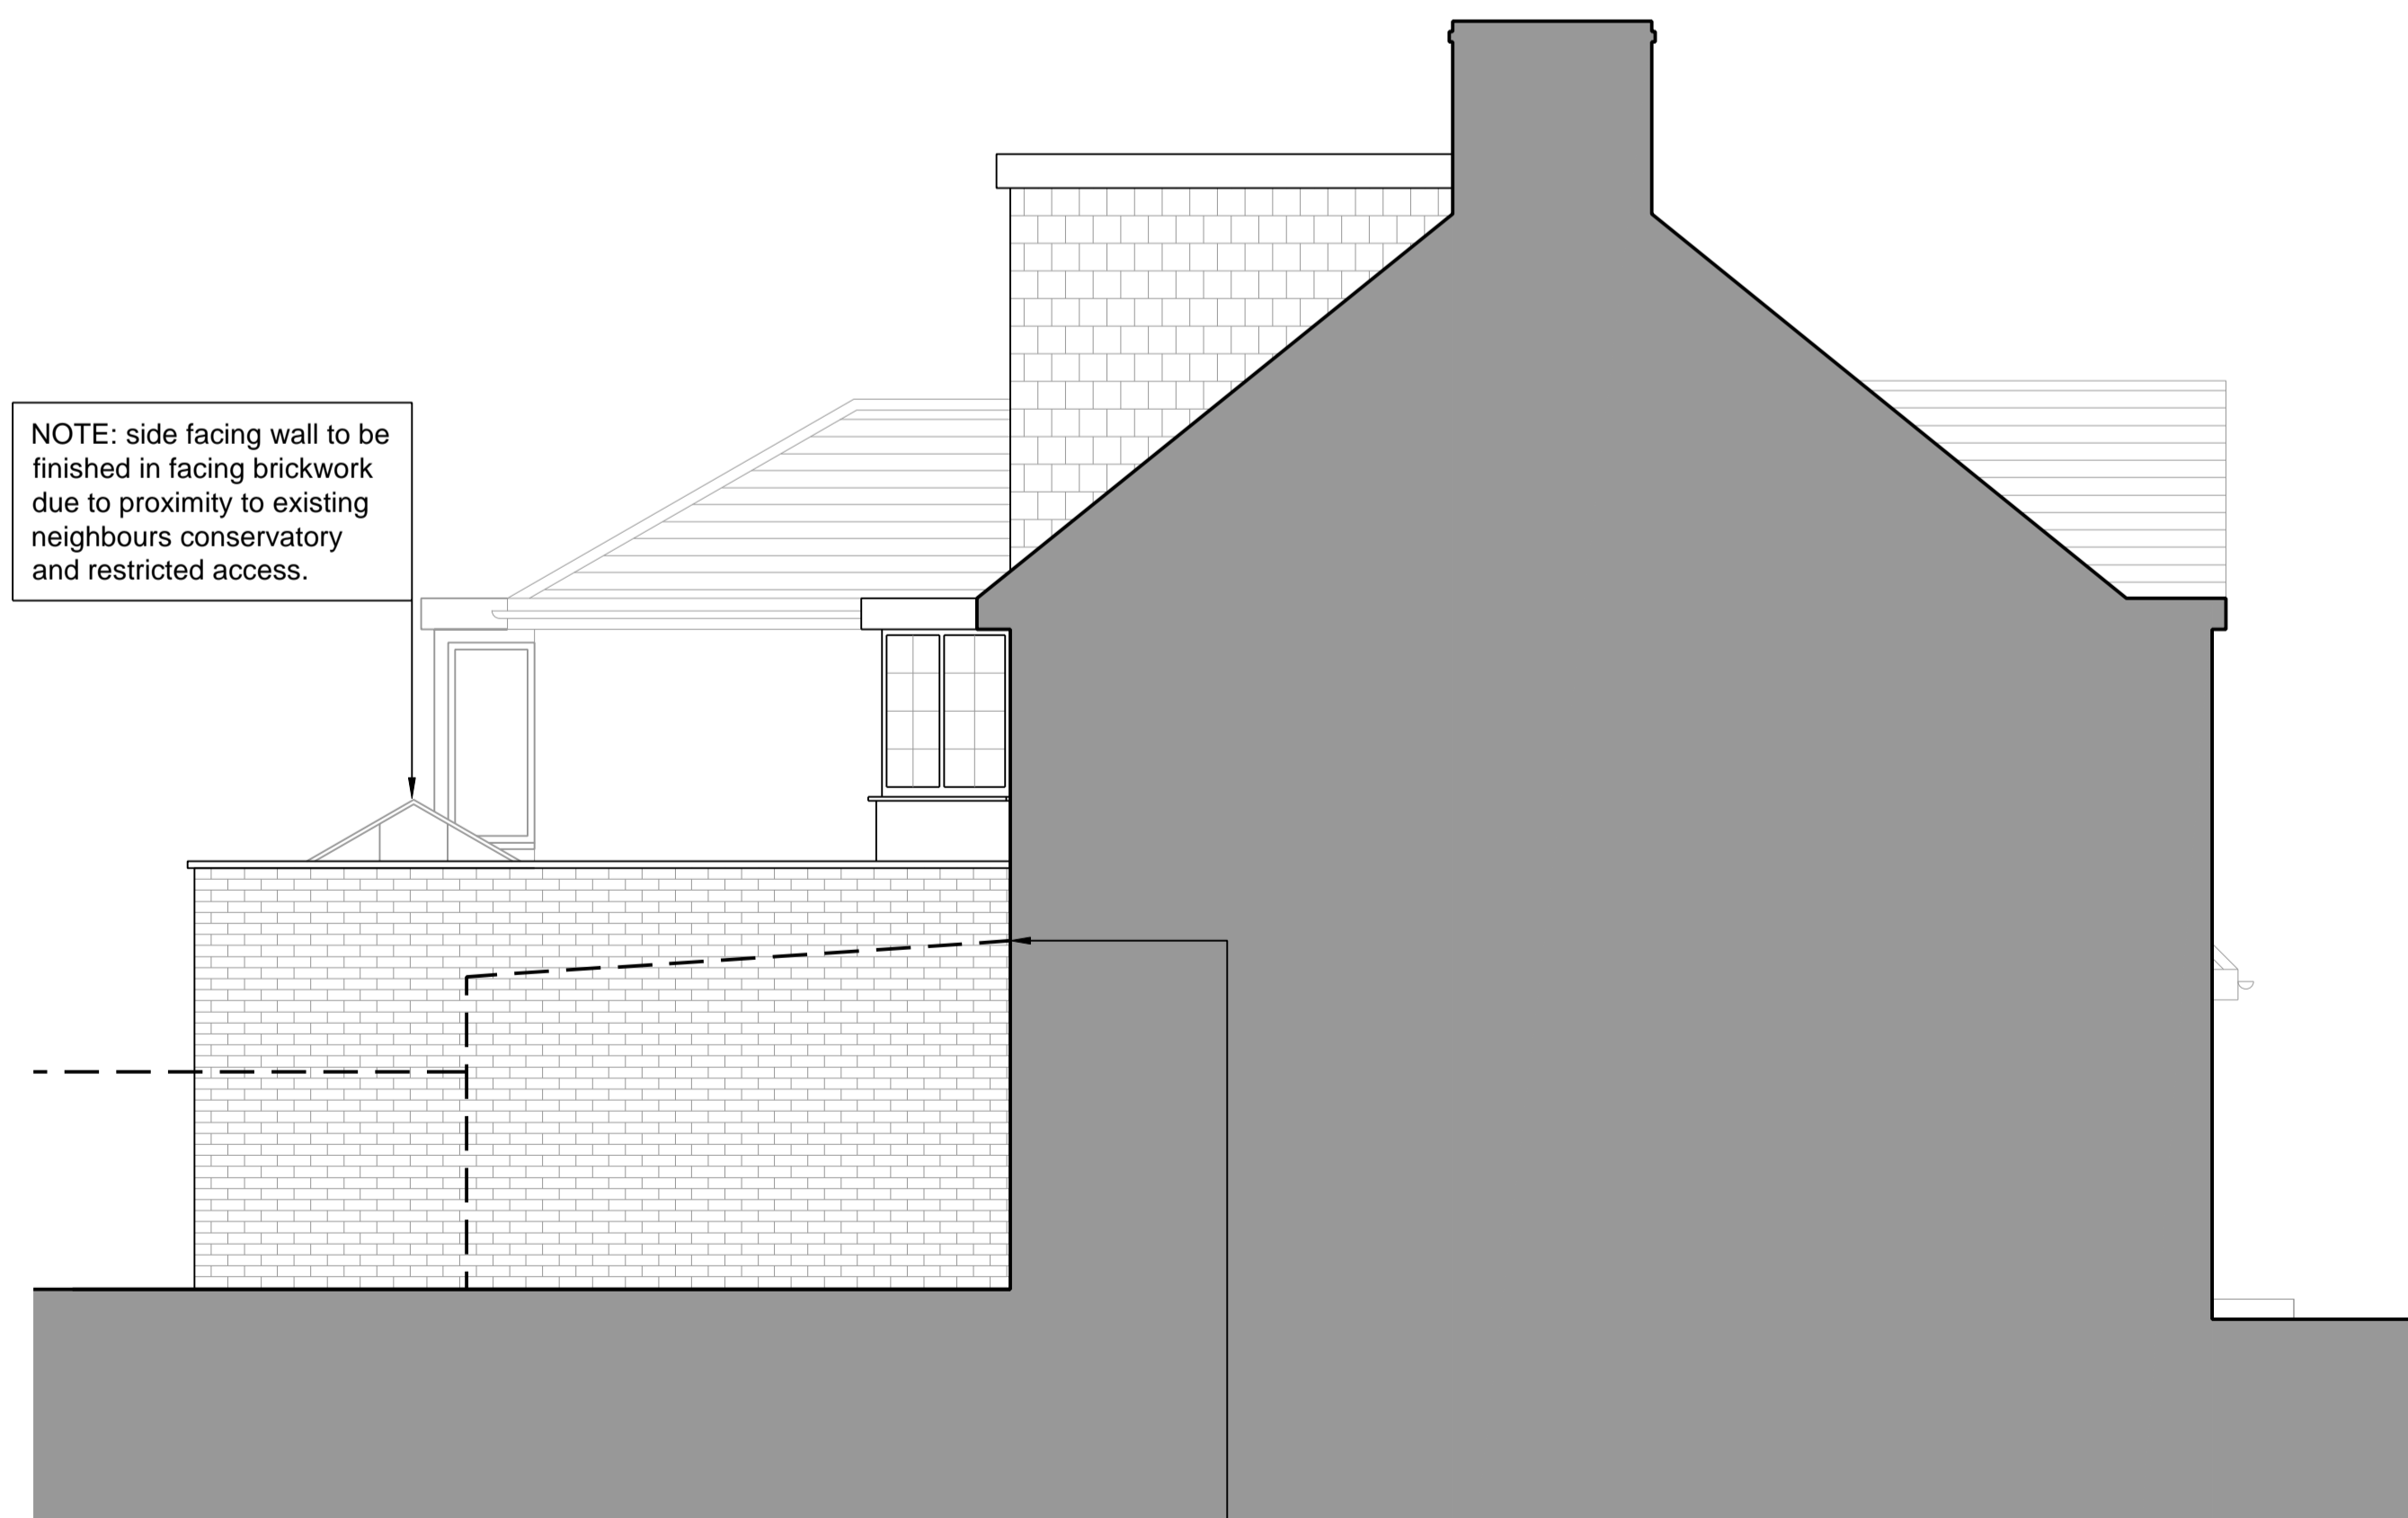

REAR ELEVATION

rendered external wall finish to match existing
 new sliding rear doors

rear facing 'Juliet' balcony window

existing rear facing first floor bay windows removed and replaced with new windows to match the other new windows

Wall built up to boundary. Relocated by 160mm from planning approval

SIDE ELEVATION
 (as seen from 30 Revell Road)

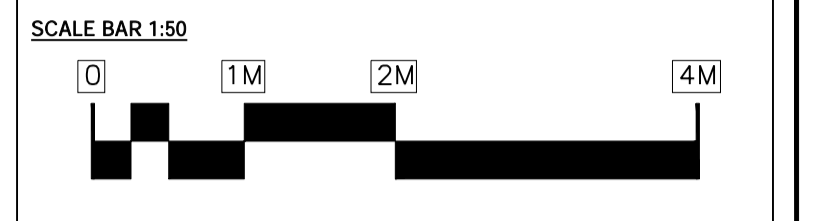

NOTE: side facing wall to be finished in facing brickwork due to proximity to existing neighbours conservatory and restricted access.

thick dashed line indicates approximate outline of neighbouring existing conservatory and boundary fence behind
