- 1/ A climate change statement we will be reusing all the materials and fixed equipment in the the building, there will be no need to travel everything will be done inside the building, there are no extensions, being made inside or outside of this building.
- 2/a sustainability statement - there will be no change of the outside of the building just adding mot testing inside there will be no negative impacts as nothing is changing outside of the building.
- 3/a planning statement - the proposed development is adding a use from car repairs to car repairs and an mot station, there will be lots of job opportunities created.

Poolfoot Car Centre
