Good afternoon,

I have attempted to apply to discharge the conditions of my planning permission as per Bens email below, but cannot get to the correct form. I have also tried the support facility who advised me to email this address.

I wish to have approval to fit a garage door as per 22/02035/PLF condition 3. The door is shown in the picture below.

Please can you approve this , and contact me with the discharge application number and how I can make the required payment.

Good Morning,

In order for the details for the garage door to be approved you would need to put in an application to discharge the condition which can be done via the Planning Portal website. I note that on the Decision Notice you would also need to discharge condition 4 regarding a planting scheme. Whilst you could do this under separate applications you could also have both conditions discharged at the same time under the same application and same fee, which I believe would be £34 in this instance.

Below is the link to the East Riding website, which under the heading 'Complying with planning conditions' there is a link which I believe takes you to the relevant section of the Planning Portal website and some instructions on which option to select:

Ben,

Please can you approve the use of a roller shutter door (in black) shown below. This was a requirement of my approved planning application 22/02035/PLF.
