Please note that the Parish Council supports this application

In order to minimise light pollution, the Parish Council recommends that any outdoor lights associated with this proposed development should be:

1. fully shielded (enclosed in full glass cut-off fittings)
2. directed downwards (mounted horizontally to the ground and not tilted upwards)
3. switched on only when needed (no dusk to dawn lamps)
4. white light low energy lamps (Philips Cosmopolis or fluorescent) and not orange or pink sodium sources)
