Figured dimensions are in millimetres unless noted otherwise. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others.

Allies & Morrison LLP is not responsible for any errors caused by the transmission, translation, software or computer systems. Allies & Morrison LLP is not responsible for nor shall be liable for the consequences of any use made of the drawings or models other than that for which they were produced by Allies & Morrison LLP for the Client.

Figured dimensions are in millimetres unless noted otherwise. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others.

Sheet Title:
Plot 3A - ISO - Lower Level

Sheet Number:
TFLBL-HOK-3A-ZZ-DR-A-1250
 Stage: **Planning** Revision: 1

Figured dimensions are in millimetres unless noted otherwise. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and entrance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others.
