Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
We are a school and need to secure the front of the school site with the addition of gates and fences. Recent police advice is that we should remove access to unauthorised vehicles to improve site security. Since the main school building is Grade 1 listed we have been advised by our Heritage Officer that, although we don't require listed buildings permission, we do require planning permission.
The plan is to add electronic gates at the entrance and exit to the site, fencing along the drive to join the new gates to existing fences and replace a failed gate at the entrance to Garden Cottage.
We would like to proceed as soon as is possible with these works given recent incursions into school by unregistered vehicles.
Has the work or change of use already started?
○ Yes
⊙ No

Existing Use

Please describe the current use of the site

School for 300 students aged between 2.5 and 13, with approximately 15 boarders and residential staff

Land which is known to be contaminated
○ Yes※ No
Land where contamination is suspected for all or part of the site
○ Yes※ No
A proposed use that would be particularly vulnerable to the presence of contamination
○ Yes② No
Materials
Does the proposed development require any materials to be used externally?
○ No
Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)
Type: Boundary treatments (e.g. fences, walls)
Existing materials and finishes: No existing gates or driveyes fancing on entrance or exit drives. Other fancing on the cabacleria is a mixture of wooden and metal in a cimilar
No existing gates or driveway fencing on entrance or exit drives. Other fencing on the school site is a mixture of wooden and metal in a similar style to that proposed. The current gate by Garden Cottage is a metal gate that has rotted away in large sections. It can no longer be opened or shut.
Proposed materials and finishes: New fencing (approx 100 meters) along the driveway to meet with new gates in black metal (see attached picture) The two new electronic
vehicle gates will be 5 bar cantilevered sliding gates in black metal (see attached picture) New traditional wooden gate to be installed by Garden Cottage (without electronics)
Are you supplying additional information on submitted plans, drawings or a design and access statement?
✓ Yes○ No
If Yes, please state references for the plans, drawings and/or design and access statement
