Dear Sir / Madam

TOWN AND COUNTRY PLANNING ACT 1990
 PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

Address: 6 Bendall Mews, London, NW1 6SN,

Proposal: Use of part of ground floor and first and second floors as a single dwelling house (Class C3).

Thank you for your application received on 1 September 2023. I am writing to inform you that your application is incomplete for the following reason(s):

- 1 Please provide a Heritage Statement (sometimes also referred to as a Historic Building Impact Assessment), including clearly annotated photographs detailing the proposed works in terms of the effect on the significance of the building or asset.

INFORMATIVE

Your Heritage Statement should (a) explain the significance of the heritage asset(s) affected including any contribution made by their setting(s); (b) explain the impact of proposed works on significance of that asset; (c) where any harm is caused provide full justification, setting out the degree of harm caused (whether substantial or less than substantial), alternatives which have been considered to avoid harm and any public benefits (including heritage benefits).

Your Heritage Statement should be proportionate to the nature of the proposal and can be included within the Design and Access Statement where one is required, but should form a clearly identified separate section. For further guidance please refer to our website: www.westminster.gov.uk/planning-building-and-environmental-regulations/planning-applications/advice-planning-application-supporting-documents/heritage-statements.

- 2 You have signed Certificate A declaring that nobody other than the applicant has ownership of the building. This is unlikely to be correct, unless you are the sole owner of the building(s) affected by the development, Certificate B should be completed and notice served on the freeholder and all those with a leasehold interest in the property with seven or more years remaining. Please provide a list of names and addresses of those you have served notice on. A copy of the certificate form can be found on the City Council's website. Please use the link below to download a copy of the form.

- 3 Please provide an air quality assessment which assesses the impact of the proposed development on air quality in accordance with Policy 32 of City Plan 2019-2040.

INFORMATIVE

The assessment should follow the methodology detailed in paragraphs 9.1.5 to 9.1.13 of the London Plan and the guidance provided in the Environmental Protection UK document 'Land-Use Planning & Development Control: Planning for Air Quality' (January 2017).

- 4 **INFORMATIVE:** The description you included on the application form has been amended to better reflect your proposal, please confirm that you agree with this amended description (shown above).

Please forward this information to the above email address by **6 October 2023**. Please do not forward the requested information separately, as your application will only be progressed when ALL requested information has been received. Please send revised/new information to the email address, not via the planning portal.

The description of development may have been changed to better reflect the proposed works, if you do not agree that this accurately reflects your proposals, please provide an amended description of development when you respond to the above.
