

Re: Planning Application 23/04657/HFUL

- 1) Boundary Treatments - consist of 3 foot wooden close boards with concrete posts and 6 inch gravel boards.
- 2) Garage to be located approx. 1.8m away from front boundary and .5m away from adjoining property boundary to allow for adequate air gap/ space for wood treatment/ painting.
- 3) Adjoining property has small trees/ shrubs which are near to the boundary fence.
- 4) Small flower bed at the front boundary.
