application. If we do not have the information, this will delay the validation of your application.

In addition, planning legislation dictates that a Land Ownership Certificate must be dated within 21 days of the date an application is valid. If you submit additional information 21 days or more after the date given on the original Certificate, you must also **provide an updated Land Ownership Certificate.**

Processing of your application can only begin once your application is valid and all the information requested should be **submitted electronically**, to avoid further delays in processing your application.

Any subsequent documents or information should be sent to us via the online planning portal at <https://www.eplanning.scot/>. **We will only accept additional information** to your application using the Post Submission Additional Documents (PSAD) process. **We can no longer accept email submissions.**

We strongly advise that you read our guidance on submitting applications on our website at www.fife.gov.uk/planning - and the section **Apply & Pay for Planning Permission** before submitting additional information. You can also download a copy of Fife Council's Validation Standards from our website from the **What Plans do I Need?** section.

I would be grateful if you would attend to these matters within 14 days from the date of this letter to enable the Case Officer to begin consideration of your application. If you require any further information please contact Petra Surplus
